INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

Omar Pereyra has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

pernoctación

Spend the night means spend the night at some site, usually out of your own home. On my recent trip to Madrid pernocté at home of a friend to spend the night it comes from the Latin "pernoctare" which in turn is a word consisting of "per" (for) and "noctis" (night). Is a word that your vo originated in the vulgar Latin than "verbificaba" certain words similar to transform the English expression "34 park to; "parkear". It would literally mean "nochea" This is the night; especially in a place that is not your own House.
