

SPANISH DICTIONARY

José Francisco Araya Sancho.

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

José Francisco Araya Sancho. has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

que es la geoquia?

What is the geoquia? It is incorrectly written and it should be written as "Geoquia Organica" being its meaning:
It is work or natural biological process that uses nature to transform biomass or organic matter in natural substrates and finally on fertile land. Ideal is that organic matter is processed with micro 40 beneficial organisms; Nitrogen Biofertilization) accompanied with nutrients from compostajes of worm Californiana. Es of great utility in urban agriculture because it can feed crops in very small spaces. It is possible to replace chemical materials used in hydroponics by organic materials.
