

SPANISH DICTIONARY

ALBERTO MELGAREJO

INTRODUCTION

www.wordmeaning.org is an open and collaborative dictionary project that, apart from being able to consult meanings of words, also offers its users the possibility of including new words or nuancing the meaning of existing words in it. As is understandable, this project would be impossible to carry out without the esteemed collaboration of the people who follow us around the world. This e-Book, therefore, was born with the intention of paying a small tribute to all our collaborators.

ALBERTO MELGAREJO has contributed to the dictionary with 1 meanings that we have approved and collected in this small book. We hope that the reader is very valuable and if you find it useful or want to be part of the project, do not hesitate to visit our website, we will be delighted to receive you.

requisitar

This use of completed is right because it is not derived the verb request, but the substantive requirement. The suffix -ado adjectives form expressing the presence of the meaning by the primitive noun from which they are derived. Then, in the document completed sentence, this adjective points out that the document has the requirements to fulfil its role.
